

Natalie Crawford, MD
Board of Directors & Founding Member

Dr. Natalie Crawford is board certified in both Obstetrics and Gynecology and Reproductive Endocrinology and Infertility and is Director of Patient Experience and Outreach and co-founder of Fora Fertility, a boutique fertility practice in Austin, Texas. She is also a Clinical Assistant Professor of Women’s Health at the University of Texas Dell Medical School. Dr. Crawford completed her undergraduate education at Auburn University obtaining a degree in Nutrition Science, Medical School at University of Texas Medical Branch, Residency in Obstetrics and Gynecology at University of Texas Southwestern, and her Fellowship in Reproductive Endocrinology and Infertility at the University of North Carolina while concurrently obtaining a Master of Science in Clinical Research. She is passionate about educating and empowering women and promotes preventive care, plant based medicine, and fertility awareness through her multiple social media platforms.

You can find Dr. Crawford on Instagram and TikTok @nataliecrawfordmd, twitter @ncrawfordmd, her blog nataliecrawfordmd.com, her You Tube channel “Natalie Crawford, MD”, and she is the host of the “As a Woman” podcast.

Dr. Crawford has been named to the “Top Doctors” and “Top Doctors for Women” lists in 2020 by Austin Monthly. She won “Best Fertility Specialist in Austin” by the 2019 Austin Birth awards and was the recipient of the Hope Award for Social Influence by Resolve: The National Infertility Association. She was named one of Austin’s top 40 under 40 in 2020 for her work empowering women. She is married to Austin native Jason Crawford, and they have 2 young children.
