

**Kate Rubey, MD**  
***Secretary & Founding Member***

Dr. Kate Rubey is a Neonatologist and NIH funded physician scientist. Her social media focuses on her passions: educating about Neonatology, sharing life in medical training, promoting physician wellness, and mentorship for women in science. An advocate for women and children's health, Dr. Rubey has been an active member of the Junior League for many years, using her free time to give back to her surrounding community.
